

Find Your Furry Soulmate

Adopt, Don't Shop,
at Wagtail Rescue!

About us

Wagtail isn't just a shelter in Coonoor, Tamil Nadu; it's a beacon of hope in the fight against pet overpopulation and the unfortunate reality of animal homelessness. Our foundational belief is that every wag of a tail and every soft purr carries a deeper message — one of survival, hope, and the longing for a forever home. These aren't just pets; they are souls that have faced adversity and are looking for a second chance at life, a chance that everyone deserves, regardless of their history.

Our Mission

- **Control population** -We aim to partner with local vets, to capture and spay/neuter animals. We ensure mandatory neutering for all animals in our care, even if they are given away as puppies; we provide free neutering at the appropriate age if the adopter is unable to afford it.
- **Educate** - Our mission is to empower communities through education. Through outreach lectures in schools, we aim to inspire and equip the next generation.

What We Do

- **Rescue:** We tirelessly save animals from shelters, neglect, and abuse, providing immediate care and shelter to ensure their safety and well-being.
- **Rehabilitation:** Many rescued animals need physical and emotional healing. We offer personalized care, training, and socialization to help them recover and trust again.
- **Rehoming:** When they're ready, we match animals with loving families for a forever home. Each adoption is carefully planned to ensure a happy ending for both pet and owner.

Join us in our mission to give every dog and cat the chance to live a happy, healthy, and fulfilling life.

Together, we can make a difference, one wagging tail and purring cuddle at a time.
